Day 6: Fly Lalibela

After breakfast transfer to the airport and flight to Lalibela. The town of Lalibela, lies among the Lasta Mountains at 2630 m above sea level and remains until today a place of pilgrim and devotion for Ethiopian Christians.

The construction of the eleven rock-hewn churches is attributed to king Lalibela of the Zagwe Dynasty. Some of the 12th century churches are monolithic, carved from a sloping mass of red volcanic scoria underlaid by dark grey basalt and interconnected by a maze of tunnels and passages with openings to hermit caves and catacombs. Some are of the basilica type, having archaic features and imitating architectural elements from earlier periods, yet they differ in design and style. Two are decorated with interesting wall paintings and carved figures. The Lalibela churches are included in the World

Heritage List since 1978. Afternoon visit of the first group of six churches which lie in rock cradles one behind the other: Bet Golgotha, Bet Mika'el, Bet Maryam, Bet Meskel, Bet Danaghel and Bet Medhane Alem. Bet Medhane Alem, the largest one, is built like a Greek temple and its stone floor is so polished by the countless numbers of visitors that it reflects shafts of light from apertures in the walls high above. In a corner are three empty graves symbolically dug for biblical patriarchs Abraham, Isaac and Jacob.

Day 7: In Lalibela:

After breakfast take a mule ride to the 13th century rock hewn monastery of Asheten Mariam. The church is situated on the top of a mountain at an altitude of 3150 metres. The roundtrip takes about 4 hours. We return to Lalibela for lunch. In the afternoon, visit the other groups of rock churches. Bet Giyorgis, the most elegant church, lies somewhat isolated in the southwest part of the village on a sloping rock terrace. It can only be reached through a tunnel. The group of four, south of the Jordan River, comprise of Bet Emanuel, Bet Mercurios, Bet Abba Libanos and Bet Gabriel-Rufa'el.
